PRIVACY

i. **Obligation of Confidentiality**

Images Infinitely Co., Ltd. (hereinafter referred to as Images Infinitely) may obtain users' personal information in the process of providing information or services. Images Infinitely shall endeavor to protect the users' personal information and customers' trade secrets. However, Images Infinitely shall not be held accountable for information leaks caused by factors beyond control. Unless Images Infinitely obtains your company/your approval or unless information is required for investigations by government authorities, Images Infinitely shall not disclose users' personal information to any third party.

ii. **Personal Information Protection**

Pursuant to related regulations in the Personal Information Protection Act, Images Infinitely hereby states that it shall strictly control and manage the confidentiality of all service items and respect your company/your right to privacy. Unless an individual or supplemental privacy statement is issued, this shall apply to all business and service items (provisions of services, response to requests, support for customers, and compliance with legal and contractual obligations) of Images Infinitely and shall be applicable to both online and offline usage of personal information. In addition, Images Infinitely shall establish comprehensive measures in accordance with related regulations to ensure the security of your personal information.

iii. **Intellectual Property Rights**

Images Infinitely strictly abides by related regulations on intellectual property rights of the Republic of China in its service items. It also guarantees that it completes its work independently or has received legal authorization without theft or infringement of intellectual property rights of any third party.

iv. **Obligation of Custody**

Information or services provided by Images Infinitely, including all contents of operations and services, all text, images, and audio and video contents, are properties of Images Infinitely or other legally authorized entities. Images Infinitely and other legally authorized entities reserve all rights and users may not forward related text, images, or audio or video contents to third parties in any form. In the event of a violation, Images Infinitely shall pursue all civil and legal liabilities.
